## **Dedication**

### **Sri Ram Mandir at Ayodhya, UP, Bharat, India, and all Hindu Temples in the World**

#### **Mathematics, Life, and Jai Sri Ram are all Connected.**

When I was 9 years old, I asked my grandfather Late Sri Bommireddipalli A Kameswara Rao Garu from Visakhapatnam AP India, a renowned mathematics genius in India, "What is the pass mark for mathematics, and he replied it is 100% in our family."

When I struggled to get good marks in mathematics, my father Late Sri Bommireddipalli Bhima Row Garu told me "I have the middle name of my grandfather and I will do well in mathematics if I work hard". He taught me mathematics daily till I secured the First Rank with 100% in mathematics and 95% in physics/chemistry. I asked my father "What is this obsession with mathematics in our family, where everyone for 4 generations is getting 100% in mathematics" to which my father replied, "If we focus on one subject mathematics, and if we are good at it we will succeed in everything in life because there is mathematics in all subjects and all aspects of our life" This helped me in my life and music composing. As a middle school student, I saw my grandmother Late Smt Mangama Bommireddipalli Garu writing Sri Rama Jayam daily and it was my duty to remind her to write daily and watch her writing. She used to ask me if she would complete writing 100,000,00/ 1 Crore Sri Rama Jayam and I used to assure her she would complete 100%. It was also my job to keep counting how many she wrote daily, Total, and the balance to write. She used to tell me stories of Sri Rama, and Hanuman. She completed writing 1 Crore Sri Rama Jayam and her books were sent to Bhadrachallam Sri Rama Temple. She told me writing Sri Rama Jayam solved all her problems including her knee pains. My maternal Side Grand Father, the late Sri Wunnava Buchi Ramalingam Garu from Berhampur Odissa was a professor of Mathematics. He was an advisor to Sri Mahatma Gandhi who used to do Rama Nama many times a day. Sri Mahatma Gandhi initiated Sri Buchi Ramalingam garu into Rama Nama which he practiced when he was jailed by the British for 2 years during India's Freedom Struggle.

I always felt there must be a better way, and a clear process, with steps required to help anyone plan and complete writing 1 Crore faster without any anxiety. I feel that this book will help people of all ages especially to initiate our Nextgen into the concept of writing meditation to succeed.

***All credit for writing this divine book on Sri Rama goes to my mentor, Sri Hanuman. All the mistakes belong to me alone.***

## **Chapter 4 Rama Nama and Maha Periyava**

**Sri Chandrasekharendra Saraswati VIII MahaSwamigal, known as Maha Periyava of Kanchipuram, Tamilnadu, Bharat, India**

**Jaya Jaya Shankara, Hara Hara Shankara.**

Maha Periyava once mentioned in his discourse, that if you close your eyes and say, Rama, Rama, Rama, you will notice one person there smiling with happy tears and he is the Maha Purusha Sri Anjaneyar, Hanuman. He will be sitting right next to you protecting and motivating you like your Guru.

A lady was worried that she would be unable to have children. She prayed to Bhagwan to bless her with a child. The next day, a Yogi came and advised her to do Sri Rama Nama Japam and that she would have a talented blessed child. She completed One crore Rama Nama, and a son was born to her. Her son became a great sanyasi known as Sri Sadashiva Brahmendral. One of his famous works is “Pibare Rama Rasam” meaning

“Drink the nectar of Rama Nama”, where he explains the Tatva of Rama Nama in simple verses. Meditate on Rama, get the Ananda, immerse yourself in that Ananda then do Rama Japa or recite Ramayanam.

Sri Periyava advised everyone to Organize Sri Rama Nama writing events for the children and adults in temples and at home during Hindu festivals.

Sri Valmiki Bhagwan did Rama Japa before composing Sri Ramayana, Rama Nama is for all, irrespective of caste and creed; the Name of God was the only help for all problems during present-day Kali Yuga.

From Kruta-Yuga times there has been a decline in the powers of man. During Kruta -Yuga humans lived so long as their skeleton lasted. Even if their blood dried up and their flesh was destroyed, they survived until their bones collapsed. But people in the Kruta-Yuga age had much power of knowledge. They were called "Asti-Gata-Pranas".

In the Treta-Yuga age people were "Mams-Gata-Pranas", they lived as long as their flesh lasted and did not perish even when their blood dried up. They had a special capacity for performing sacrifices. In the Dvapara-Yuga, people were "Rudhira-Gata-Pranas" and lived until their red blood dried up. They were known especially for the pujas they performed.

We are now in the age of Kali-Yuga which is called "Annam-Gata-Pranas" meaning life will remain in our body so long as the food lasts. We get easily distracted by irrelevant things and have little focus to meditate and perform rituals or puja. But we can chant the names of the Gods, Sri Krishna, Sri Rama, and others. It is true that by repeating the Rama Nama and the names of our Gods we will be liberated to attain moksha.

Repeating the Divine Names of Gods helps everyone, even the worst sinner.

An old lady who was in a queue to get the blessings of Maha Periyava (Sri Sri Chandrasekharendra Saraswati Swamigal of Kaanchi Kaamakoti Peetam) wore an auspicious look by wearing a white saree, with Rudraksha bead and crystal (Spatika) garland, with the forehead full of Vibhuthi, she prostrated at the feet of Maha Periyava.

Maha Periyava, looked at her and ordered his attendant to immediately bring 100 lemons and give them to her. The lady was puzzled because

usually, the devotees get one or two lemons but not 100 lemons. She looked at Maha Periyava with a question in her eyes.

"You are spending a lot of money buying lemons in the market to invoke the evil forces in those lemons. By performing black magic, you are eventually wrecking the lives of innocent people to earn money. Now you collect these 100 lemons, and it would be useful for your devilish work" Mahaperiyava said in a firm voice. She started crying wondering how he knew her profession and fell at the feet of Maha Periyava to forgive her and bless her.

Maha Periyava replied "You can utter those evil mantras into the ears of a cow and forget it once and for all. Never think of performing such black magic in your life. Spend the rest of your life by repeating Sri Rama Nama to be peaceful, this is your solution" He gave her Vibhudhi.

#### **4.1 Rama Nama makes an Ordinary Person a Yogi**

Sri Bodendra was the 58th pontiff of Kanchi Kamakoti Peedam. At his samadhi one can hear at night, a melodious voice, uttering Rama Nama and fading into silence. Sri Bodendra recited Rama Nama throughout his life.

Sri Bodhendra once went to a village called Thirukokarnam in Bharat, India to give a discourse about Rama Nama. He was initiating everyone in that village with Rama Nama. A daasi servant came to him and asked if she could also chant Rama Nama and if he would initiate her. Sri Bodhendral initiated her with Rama Nama without any hesitation. In those days sanyasis were not even allowed to speak to women and when he directly initiated a woman who was a servant, the villagers started speaking ill about him. After some days Sri Bodhendra left the village. The servant was chanting Rama Nama religiously and would chant throughout the day. Sri Bodhendra came back to that village after some time and came to know the woman had finished chanting crores of Rama Nama. The Servant came to have a darshan of Sri Bodhendra and after prostrating to him she left this world through Kabala Moksha in front of her guru like how a yogi leaves this world. The villagers were surprised to see this and realized their mistake not to judge poor people.

Kanchi Paramacharya said that one can hear the chanting of Rama nama in the Govindapuram Adhistanam of Sri Bodendra Saraswati.

#### **4.2 Bhagawan Nama Cured the Plague in Arcot City.**

Arcot city in Bharat, India was hit by plague once and there was no treatment during that time. The Nawab was also attacked by plague, and it so happened that Sri Bodhendra was there in Arcot. The people in the city went and told their problem to Sri Bodhendral, who then asked them to get together and chant Rama Nama. Once they did as advised everyone was cured and there was no trace of plague in the city. The Nawab then offered some land to His mutt and became His follower.

Maha Periyava did Rama Nama Japa in a bullock cart before becoming a sanyasi.

Rama Nama has the power of the entire Ramayanam in just two Akshara's words Rama Nama. So, doing Rama Japam gets all the benefits that one gets from doing Gayatri Japa.

In this age of Kali, there is no other means, except Rama Nama for Jiva's humans to attain liberation" says Sage Sanatkumara to Sage Narada.

Rama Nama is the only mantra that is called the "Taraka Mantra". It is the mantra that helps one to cross the cycles of birth and death.

Thyagaraja Brahmam of Tiruvaiyaru in Tamilnadu, India, performed Rama Nama Japa for twenty-one years. Every day lakh and eight thousand 100,008 counts of Japa.

In the Vedic script Ramacharitamanasa, it is mentioned that Rama Nama gave strength even to Sri Hanuman

In Guru Granth Sahib, the sacred book and current guru of Sikhism, the name of Rama is the second most used name for the formless God after the name Sri Hari.

Neem Karoli Baba encouraged the constant repetition of "Ram" to become closer to God, saying: "By taking the name of Ram, everything will be accomplished."

A popular mantra is Om Sri Ram Jai Ram Jai Jai Ram was popularized in western India by Samarth Ramdas.

"Ramanama Satya hai" (meaning, the name of Rama is the Truth) is a Hindi phrase commonly chanted by Hindus while carrying a dead body to be cremated.

Thyagaraja, a composer of Carnatic music, wrote Rama Nama in his compositions of Keerthana's.

Swami Ramdas attained nirvana through the constant repetition of "Om Sri Ram, Jai Ram Jai Jai Ram". He established Anand Ashram, where this mantra is sung continuously from morning till night.

In Sri Swamiji's words, 'Even if the whole sky were used as a paper and all the waters of the Universe were used as ink, it would just not suffice to pen down the glories of Rama Nama!'

### **4.3 Sages and Rama Nama**

Rishi Manu shows that the Rama Nama has links to all the other mantras that ever existed.

In Syavana Smriti (Syavana is the name of a rishi), Syavana says that the Rama Nama is the essence of all the Vedas, Shastras, Itihasas, and Puranas.

Sage Vasishta meditated on the Rama Nama all the time.

### **4.4 Rama Nama and YOGA Connection**

In the philosophy of Yoga, 'Ra' is considered the 'Mooladhara' (the point of origin of the power of Kundalini), and 'Ma' is the 'Sahasrara' (the destination). Hence, when the Rama Nama is chanted in the right tone and manner, the serpent power rises and hits the head or the 'kapala' Thus, by merely chanting the Rama Nama, one can become a Yogi.

### **4.5 The Bhagavan's (Gods) Favorite**

The 'Sthala Purana' of Kasi says that the deity Kasi Viswanatha initiates the Rama Nama to everyone at the time of their death, in their right ear.

Bhagavan Sri Dhakshinamurthy observes silence because He doesn't want to waste any time without chanting the Rama Nama.

The Sun God chants the Rama Nama because he is proud that Sri Rama came from his dynasty.

Rama Nama is so powerful that by chanting it, one gets the benefit of invoking all the 33 crores of devatas as well.

#### **4.6 Rama Nama is One Name for All Gods**

Generally, people can be divided into two broad categories: the Shaivites, who worship Lord Shiva as the supreme, and the Vaishnavites, who worship Lord Vishnu and His forms as the Supreme Being. The most significant Mantra for any Vaishnavite is the 'Ashtakshari' (it contains eight letters in Sanskrit) mantra 'Om Namō Narayana'.

The Mantras for the Shaivites is the Panchakshari (5-lettered) mantra, 'Om Nama Shivaya'. Without the letter 'ra', 'Narayana' would read as 'Nayana' which means one without a way, without the letter, 'ma', 'Namasivaya' would read as 'Nasivaya' which means inauspicious.

So, the Jiva Akshara (life-giving letters) 'Ra' and 'Ma' of these two Mantras are combined to form the Rama Nama!

Anyone chanting this Divine Name thus worships both Shiva and Vishnu at the same time.

Sri Ramakrishna initiated Swami Vivekananda into 'Rama' Nama. It is the power of that Divine Name that made him establish this Universal Religion of Brotherhood called Hinduism all over the world.

Mahatma Gandhi, in his final lecture before independence, said, 'We have tried our level best. Now let us all chant the Divine Name together. Only that has the power to get us independence.' Not one of his prayers passed without Rama Nama Kirtan.

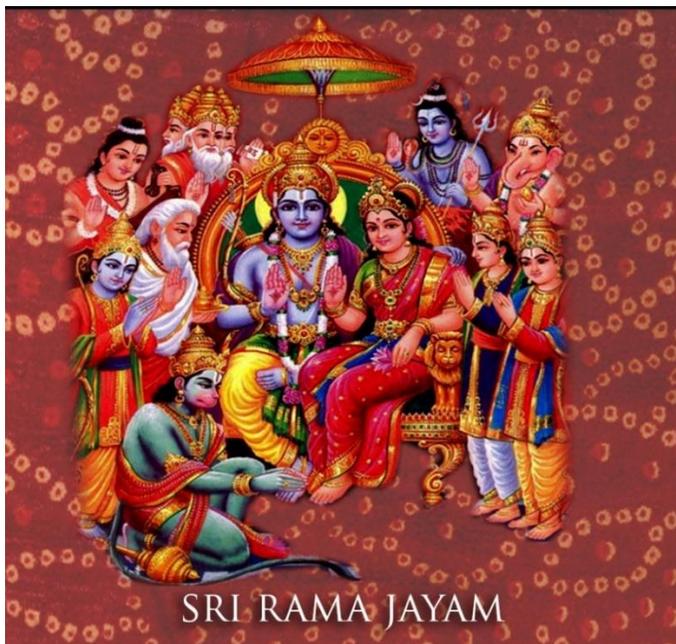

#### **4.7 Ayodhya, Kanchipuram, and Kasi Ancient Divine Connection**

King Dasaratha of Ayodhya did not have children and one night he had a dream that he should visit Kanchipuram to seek the blessings of Kamakshi amma to have children. Even today many childless couples visit Kanchipuram for her blessings to have children.

It was in Tretha --Yuga that King Dasaratha traveled from Ayodhya to Kanchipuram for the blessings of Kamakshi amma and only after her blessings, Sri Rama was born in Ayodhya. Kamakshi Amma powers were mentioned in Brahmanda Purana and the divine connection between

Kanchipuram and Ayodhya is mentioned in the 38-40<sup>th</sup> Chapters of Sri Lalithapakyanam and the Panchabhuta Stallams meaning 5 Elements of Nature (Earth, Water, Fire, Air, Space) which belong to Bhagavan Shiva. There is a temple for each element. It is mentioned that Ayodhya, Kanchipuram, and Kasi are called Prithivi Shetrams for attaining Moksham (salvation), Liberation from the cycle of births and deaths. Kanchi mut branches have been there in Ayodhya and Kasi for many years.

## Chapter 5 Rama Nama Ramayanam

Nama Ramayanam is a short description or essence of the entire Ramayana in 108 Slokas, explaining the divine qualities of Sri Rama. This was written by Bhakta Ramadasu. Ramayana is originally divided into 7 parts called Kaandas namely Bala Kaanda, Aranya Kaanda, Kishkinda Kaanda, Sundara Kaanda, Yuddha Kaanda, and Uttara Kaanda. Nama Ramayanam is also divided into 7 parts with the same names, and it is easy to recite, listen, and learn quickly. It is said that reciting Nama Ramayanam gives the same result as reading the entire Ramayanam. Given below are Nama Ramayanam lyrics in English with meanings in English to chant and get the benefit of reciting the entire Ramayana in a short time.

## **Chapter 6 Return of Sri Rama to Ayodhya - Uttara Kaanda**

**Uttara Kaanda deals with the return of Sri Rama to Ayodhya, in UP, Bharat, India, and his coronation to the throne. This is the last chapter of Ramayana which narrates the reign of Sri Rama in Ayodhya, the second ordeal of Sita, the birth of Lava and Kusha, the two sons of Sri Rama in the hermitage of Sri Valmiki, and ends with the description of the last days of Sri Rama in the world.**

The world remembers the battle in Sri Lanka between Sri Rama and Ravana, in which Sri Rama killed the ten-headed Ravana and made Sri Vibhishana king of Lanka. Sri Rama meets his wife, Sita. Sita is extremely happy to see him. Sri Rama was more than delighted that he could finally meet Sita.

**Authors Note 1: THIS IS THE TRUTH DISCOVERED AFTER EXTENSIVE RESEARCH LINKED TO SCRIPTS.**

Sita had a prayer wish, that she would do the toughest unthinkable Agni Pariksha of walking on the burning firewood, once she is rescued by her husband Sri Rama. Her prayer wishes came true and Sita decided to do

Agni Pariksha by walking on a burning firewood watched by many people, who were crying and praying that she should not get hurt. Sita comes out unhurt. Sita is an avatar of Lakshmi in this birth. Sita is wife of Sri Vishnu

This ritual is followed even today in Bharat, India where both men and women make a prayer wish that if their wish is fulfilled, they will walk on the burning firewood. This is very common to witness in Palani Sri Murugan Temple, in Palani, Tamilnadu, Bharat, India

### **Authors Note 2: DO NOT BELIEVE THE ANTI-INDIA, ANTI-HINDU FORCES, DISTORTED THEORIES YOU READ ONLINE IN VARIOUS PLACES**

**The Anti-India, Anti-Hindu Forces, distorted theory is that Sri Rama asked Sita to walk on the firewood to prove her chastity. Sri Rama never asked Sita. Sri Rama loved and respected Sita very much. Sita, his wife in this birth is an avatar and wife of Sri Vishnu so there is no question of proving her chastity.**

**The Anti-India, Anti-Hindu Forces, call Ramayana as a mythology which means a fictional story that never happened in real. The Non-Hindu Countries cannot accept that Hinduism is the first and oldest religion and Christianity and Islam came only during the last 400-500 years.**

**This real incident of Sri Rama Sita happened during Treta Yuga Treta Yuga which is  $3 \times 432000$  years = 1,296,000 Years ago from now**

**The real History of Bharat, Real Incidents in Ramayana, Maha Bharatha, and Hindu Vedic Scripts have been changed by Anti India, Anti Hindu Forces, to disrespect Hindu Gods and Confuse the young minds of the next generation.**

Sri Rama, along with Sita, Lakshmana, and Sri Hanuman return to Ayodhya, and en route they stop at Rishi Sri Bharadwaja Ashram. In the meantime, Ayodhya prepares for a grand welcome with very happy crowds eagerly waiting to see the victorious Sri Rama Family.

### **6.1 How did Sita and Rama Look at the Patabhishekam?**

Sri Rama bathed and was dressed in shining clothes, garlands, and jewels while Sita also bathed and got dressed in a maroonish red Kumkum color saree with a parrot green border and the same color blouse. Sri Rama dressed in his favorite blue color and yellow turmeric color. The beauty is they both looked so humble despite going to be the king and queen shortly.

Let's also spend some time looking at them.

People were spellbound in silence looking at both Sita and Sri Rama.

They were heard saying both their eyes were not enough to look at them. Some said Sita was more beautiful than Rama and others said Rama was more beautiful than Sita and quickly agreed that both Sita and Rama were the most beautiful married couple in the world. They are also examples of an ideal couple in the world. Sri Rama is Pundarikaaksha, and Sita is Asithekshana. Pundarikaaksha means having white eyes like the white lotus flower. Asithekshana means face glowing due to eyes with black eyeliners. It is like Neelothpala black lotus.

**Sri Rama said.**

**"Ananyaa hi Mayaa Sita, Bhaskarena Prabhaa Yathhaa I" meaning "Sita cannot be separated from me like the Sun light rays from the Sun."**

**Sita also said the same.**

**"Ananya Raghavenaaham Bhaskarena Prabhaa Yathhaa I"**

Meaning she was not separate, but part of Sri Rama, just like the Sun which cannot be separated from Sunlight rays. Sita and Rama were born for each other.

### **6.2 Sri Valmiki describes Sita in Sundarkanda,28<sup>th</sup> Sloka,15<sup>th</sup> Varga**

Sita is Kanaka Varnaangi. She is of Golden color. She is Neelakesi, black hair, Bimbosthi, lips with a bright scarlet color, Sumadhya (beautiful waist), PadmaPaalaasakshi, having eyes like Lotus petals, Manmadhasya Rathim Yathhaa, very beautiful like Rathi, the wife of Manmadha

### **6.3 Sita's Jewelry given by Anasuya**

Sita got Jewelry from Anasuya wife of sage Atri, she was a great ascetic. Anasuya gave them jewels when Sita and Sri Rama visited the ashram of Rishi Atri during their Vanavas.

**Anasuya said:**

**Dam Divyam Varam Maalyam Vastram AabharaNaani ca |**

**Anga Raagam ca Vaidehi Mahaa Arham Anulepanam || 2-118-18**

**Mayaa Dattam Idam Siite Tava GaatraaNi Shobhayet |**

**Anuruupam Asamklisham Nityam Eva BhaviShyati || 2-118-19**

"O, Sita, the daughter of Vaideha kingdom! Here are divine gifts: a garland, apparel, jewels, a scented cosmetic, and a rare body cream. These are all given by me to adorn your limbs. They will be ever worthy of yours and will remain intact even after constant use."

**Anga RaageNa Divyena Lipta Angii Janaka Aatmaje |**

**ShobhayiShyaami Bhartaaram Yathaa Shriir Vishnum Avyayam || 2-118-20**

"O, Sita! Your body, anointed with these heavenly cosmetics, will make your husband also look beautiful, with you like Lakshmi, the goddess of fortune and beauty, and him like Sri Vishnu, the Bhagavan of Preservation of the universe."

I feel Anasuya Devi has compared them both with Sri Vishnu and Lakshmi Devi since Sri Rama is an Avatar of Sri Vishnu and Sita avatar of Lakshmi

#### **6.4 Sri Hanuman Praising Mother Sita**

My Mother Sita is the most beautiful Mother in all the Existences that exist, that ever existed, and even from all those which will take birth in the future! Sri Hanuman always respected Sita as his mother.

**Siya Sobhā Naht Jai Bakhānī, Jagadambikā Rupa Guna Khānī.**

**Upamā Sakala Mohi Laghu Lāgī, Prakṛta Nāri Amga Anurāgi- 1**

**Siya Barania Tei Upamā Dei, Kukabi Kahāi Ajasu Ko Lei.**

**Jau Paṭataria Tīya Sama Sīyā, Jaga Asi Jubati Kahā Kamanīyā-2**

**Girā Mukhara Tana Aradha Bhavānī, Rathi Ati Dukhita Atanu Pati Jān**

“Sita's beauty defies all description, Mother of the universe that She is and an embodiment of charm and excellence. All comparisons seem to me too poor; for they have an affinity with the limbs of mortal women. Proceeding to depict Sita with the help of those very similes why should one earn the title of an unworthy poet and court ill-repute?” [Reference: Sri Ramcharitmanas 1.247]

Even the one, Who Charms the Three worlds with his Splendor, was awestruck upon seeing her and was unable to take his eyes away from her. She is the one who has occupied the Heart of the one who charms the Whole existence which is Sri Rama.

“I have not hitherto seen any earthly female with this kind of features on the face of the earth, or, a goddess or a Gandharva female, or a yaksha female, or a kinnara female or anybody else whosoever!” (Valmiki Ramayana, Aranya Kaanda, Sarga 46)

As said in the above extract, she is unmatched in her beauty throughout her existence. She is the one who gives the word “beauty” Its meaning.

**Now in the words of Sri Hanuman:**

Namāmi Candranilayāṃ Sītāṃ Candranibhānanāṃ ᨀ

Ahlādarūpiṇīṃ Siddhiṃ Sivāṃ Sivakarīṃ Satīm ᨀ

Oh Śrī Sītā, the dearest consort of Śrī Rāmachandra, the divine mother, origin, and the cause, of the entire cosmos, the most beautiful ONE whose beauty can't be expressed in words, I always worship You in my heart! As my mother” (Reference: Sri Sita Stuti by Sri Hanuman)

## **Chapter 7 Sri Ramas Patabhishekam Function**

Sri Rama climbed the golden chariot with 5 white horses, driven by Bharata, and Shatrughna held the umbrella, with both Lakshmana and Vibhishana waving the Chowry. Sugriva rode on one decorated elephant and the vanaras, monkeys followed them riding on 1008, elephants. 1008 soldiers were marching on decorated 1008 horses. 1008 musicians were in the front playing various classical instruments and 5 people blowing the Silver Conches. This is how Sri Rama Sita entered and traveled through the city of Ayodhya. 1008 is a divine number also called Sahasranama meaning 1000 divine names of Bhagavan, God

Seven golden Jars were given to Hanuman and Jambavan and Vegadarshi and Rishabha to fetch pure water from the 7 holy rivers, Ganga, Yamuna, Saraswathi, Narmada, Cauvery, Godavari, and Krishna. Crowds cheered Sri Hanuman as he rose to the sky along with others and quickly brought the water. They were then told to travel to bring water from the 7 Oceans, Arctic, North Atlantic, South Atlantic, North Pacific, South Pacific, Indian Ocean, and Southern Ocean

Sage Sri Vashishta requested Sri Rama and Sita to sit on the Golden Throne.

Bharata runs to remove the wooden sandals of Sri Rama which he kept for 14 years when he ruled the kingdom assuring the people that the kingdom is still ruled by Sri Rama though he was away for Vanavas for 14 years.

Bharata sprinkled holy water and cleaned the throne with his Kanduva as Sri Rama smiled looking at Bharata's devotion.

Rishi Vashista places the crown on Sri Rama first with 1008 priests rendering mantras in Sanskrit with the whole crowd saying Jai Sri Ram Jai Sri Ram Jai Sri Ram and then he places the crown on Sita with the crowd saying Jai Sita Ram, Jai Sita Ram, Jai Sita Ram. People felt they were in Vaikuntam heaven and were feeling as happy tears rolled that their Maha Raja and Maha Rani were back in Ayodhya.

Rishi Sri Vasishtha announces Sri Rama and Sita as the king and Queen.

Sri Rama thanks Sri Vasishtha and welcomes Rishi Agastya and his team of Rishis and priests who came from all over Bharat, India. All the Rishis and sages were very happy and proud of Sri Rama's victory because there was no need to fear Ravana who was killed by Sri Rama in Lanka.

## 7.1 What Was Sri Hanuman's Supreme Request to Sri Rama?

The Vanaras, monkeys were rewarded for all their hard work and help in laying the Rama Setu bridge which was crucial for the battle as it helped cross the sea very fast. Vanaras left Ayodhya with happy tears very reluctantly due to their love for Sri Rama and Sri Hanuman.

When the time came to give a reward to Sri Hanuman, he told Sri Rama that he did not need any reward but had one request. Sri Rama asks him what that request is. Sri Hanuman replied that he would like to be always with Sri Rama and that he should be blessed to live forever only to tell the world all the good deeds Sri Rama did. He also told Sri Rama that he should always be his number one devotee 24 hours a day. Sri Rama amazed at Sri Hanuman's devotion towards him happily agrees and grants the unique boon that Sri Hanuman will live forever. Sri Rama takes his Golden Chain and places it on Sri Hanuman and hugs him. Sri Hanuman bends and touches the feet of Sri Rama and Sits down at the feet of Sri Rama. This is the reason you will always see Sri Hanuman at the feet of Sri Rama in all photographs. Sri Hanuman is one of 7 Rishis called Saptha,7 Rishis who are eternal and they are blessed to live forever. Sri Hanuman is alive even today.

## **7.2 How Many Years Did Sri Rama Rule the World?**

**Sri Rama ruled not only Ayodhya but the whole world for 14,000 years. This is the reason the world is discovering Hindu Murthis all over the world because Hinduism is the world's first and oldest religion. Hindu kings built Hindu temples all over the world.**

### **Authors Note:**

**Sri Rama was Avatar of Sri Vishnu in Tretha-Yuga**

**Sita is an avatar of Lakshmi on earth and wife of Sri Rama**

**Sita is Lakshmi wife of Sri Vishnu in Vaikuntam**

## **Chapter 8 Lava and Kusa**

Sita gives the good news to Sri Rama that she has conceived. Sri Rama asks her if she has any wishes which will make her happy. Sita replied that she would like to visit the ashrams near the river Ganga and other places. Sri Rama requested Sri Lakshmana to take Sita to the ashram of Rishi Valmiki and return, which he did.

Sri Rama and Sita ruled his kingdom very well. The surprise was nobody was poor, everyone was healthy, content, very happy, and people always spoke the truth with everyone. Agriculture and other trades were flourishing, and it became clear that if one wanted to know where Sri Rama was located, one would say find out where the agricultural lands were fully green, with happy people and that is the location where Sri Rama is residing. Sita gave birth to twin boys and named them Lava and Kusa. Rishi Valmiki trained them in Sanskrit slokas, archery skills, Hindu rituals, and prayers, including respecting everyone, especially all elders.

## **8.1 Authors Note: Respect Everyone and See God in Everyone**

**Hinduism is a great religion where people believe that God resides in themselves, and in others irrespective of their caste, color, or social status. This is the reason when they meet anyone, they fold both their hands together and say “Namaste” which means I respect you and I see my god in you. Just like Rishi Valmiki taught Lava and Kusa, Indian parents teach their children to respect everyone equally especially all elders. Indian parents also teach children to respect their guests as Athidhi meaning our guests are equivalent to God and we must take good care of them. This is one of a million reasons why Hinduism is not only a religion but also called the Divine Way of Life.**

## **Chapter 9 Why did Sita Return to her Mother Earth?**

Sita accompanied by Rishi Valmiki comes to Ayodhya and hands over Lava and Kusha to Sri Rama saying, it is time for her to go back to her mother earth Vasundhara. She prays to Vasundhara, another name of Mother Earth, to come and take her. The earth splits and a golden Throne rises from the earth. Sita goes and sits on the throne and the earth goes down, never to see Sita again. Sita is an avatar of Lakshmi on earth and the wife of Sri Rama. Sita is Lakshmi wife of Sri Vishnu in Vaikuntam. Avatars do not die they disappear to the origin from where they came and in this case, Sita joined Sri Vishnu in Vaikuntam

**Authors Note 1: THIS IS THE TRUTH DISCOVERED AFTER EXTENSIVE RESEARCH LINKED TO SCRIPTS.**

**Sita who is also an avatar of Lakshmi, knew that Sri Rama's Avatar had to come to an end since Rama was born as a human, and he could not escape the cycle of birth and death. She did not want to see her husband's end, and this is one of the reasons she decided to return to her mother earth. Avatars do not die like humans, but they disappear to go to Vaikuntam to become Lakshmi wife of Sri Vishnu.**

**Authors Note 2: DO NOT BELIEVE THE ANTI-INDIA, ANTI-HINDU FORCES, DISTORTED THEORIES YOU READ ONLINE IN VARIOUS PLACES.**

**The Anti-India, Anti-Hindu Forces, distorted theory is that there were still rumors in the people about Sita's chastity and Sri Rama asked Sita to prove once again that she was loyal to him, and Sita got upset and returned to Earth.**

**The Anti-India, Anti-Hindu Forces call Ramayana as a mythology which means a fictional story that never happened in real. The Non-Hindu Countries cannot accept that Hinduism was the first and oldest religion and Christianity and Islam came during the last 400-500 years.**

## **Chapter 10 Final Days of Sri Rama**

Sri Rama was born as the eldest son of Kausalya and King Dasaratha, of Ayodhya. His ordeal of going on vanavas for 14 years, killing Ravana, and returning to become King of Ayodhya is known to everyone.

What many do not know is how Sri Rama died. Avatars do not die they disappear to join their main person, in this case, Sri Vishnu and in other cases, they go to Vaikuntam, heaven.

Sri Rama is known as Maryada Purushottama, meaning the Ideal Man, or the Perfect Man due to his personality, Character, Virtues, and a person who keeps up his word. He is one who lived by example and showed how to practice Dharma.

**Padma Purana mentions about the following final days of Sri Rama**

### **10.1 Why did One Sage Come to meet Sri Rama?**

One day a sage Sri Kala Deva (Kala means Time) came to meet Sri Rama and said that nobody should enter the room when they are discussing a serious topic of utmost importance. Sri Rama requested Sri Lakshmana to guard the door of the room.

### **10.2 Sri Lakshmana Final Days**

Sage Sri Durvasa, who is known to be short-tempered came and demanded he be allowed inside to meet Sri Rama. Lakshmana told him he had orders not to allow anyone inside. Durvasula threatened Lakshmana that he would curse that Lakshmana would die or entire Ayodhya citizens would die if he was not allowed inside the room. Lakshmana told him that he would rather die than break his word to Sri Rama and to save the citizens of Ayodhya. Sage Durvasu left angrily. Lakshman realized that this event was the play of time for him to disappear from earth. He readily agreed to the play of Kala (Time). Lakshmana goes to the nearby Sarayu River in Ayodhya and walks into the river and disappears marking the end of Sri Lakshmana who goes to Vaikuntam heaven.

### **10.3 What is Sage Kala Devas's Secret Message to Sri Rama?**

Sage Kala Deva informs Sri Rama that his avatar of Sri Vishnu, born as Sri Rama must end. He told Rama that his purpose to restore dharma on the earth is complete and it is time to return to join Sri Vishnu.

### **10.4 When did Sri Rama Know About his Final Day?**

Sri Rama comes to know about what Lakshmana did and decides it is time to end his avatar and return to Vaikuntam, heaven. He hands over all his responsibilities to his sons. Sri Rama realizes that being born as a human; he needs to face death too like all humans.

### **10.5 How Did Sri Rama Trick Sri Hanuman and Why?**

He thought if Yama, the God of death came, he could not enter Ayodhya because Yama was afraid of Sri Hanuman who was guarding him. Sri Rama distracts Sri Hanuman by dropping his ring into the small crack in the palace floor and requests Hanuman to get it. Hanuman reduces himself to the size of a beetle and enters the crack only to realize there is no crack and it leads him to NagaLok, the land of serpents.

He asks Vasuki, king of serpents how he can find Sri Rama's ring among so many serpents and Vasuki replies he will find the ring.

Hanuman searches and finds the ring but then he also finds the second ring which also looks like Sri Rama's ring then the 3rd ring, and 4th ring and there were so many rings all looking alike. He asks Vasuki.

“What is the meaning of all these experiences?” Vasuki replies that the world we live in goes through the cycle of life and death. Each life in the world is called a Kalpa. Each Kalpa has 4 Yugas.

Sri Vishnu incarnated in different forms to preserve the universe and to restore "Peace and Dharma" in the four yugas (era or cycle)

Satya Yuga (the avatars were Matsya, Kurma, Varaha, Narasimha),

Treta Yuga (the avatars were Vamana, Parasuram, and Sri Rama),

Dwapara Yuga (Avatars were Balarama, and Sri Krishna) and

Kali Yuga (the avatar to be born is Kalki avatar)

1. Satya Yuga      4 x 432000 years = 1,728,000 Years
2. Treta Yuga      3 x 432000 years = 1,296,000 Years
3. Dvapara Yuga 2 x 432000 years = 864,000 Years
4. Kali Yuga      1 X 432000 years = 432,000 Years

## **10.6 We are in Kali Yuga now Year 2024**

Kali Yuga lasts for 432,000 Years which is equivalent to 1200 God or Divine Years. Kali Yuga began when Sri Krishna died 5125 Years ago, and has 426,875 Years left as of 2024 CE. Kali Yuga will end in the Year 428,899 CE.

This is the Most Important Reason for everyone to do Sri Rama Nama Japam daily. Just repeat silently Jai Sri Ram whenever wherever, even before and after each call, and take time to write Sri Rama's name

### **Average Human Lifespan During the Yugas**

Satya Yuga: The average human lifespan was 100,000 years.

Treta Yuga: The average human lifespan was 10,000 years.

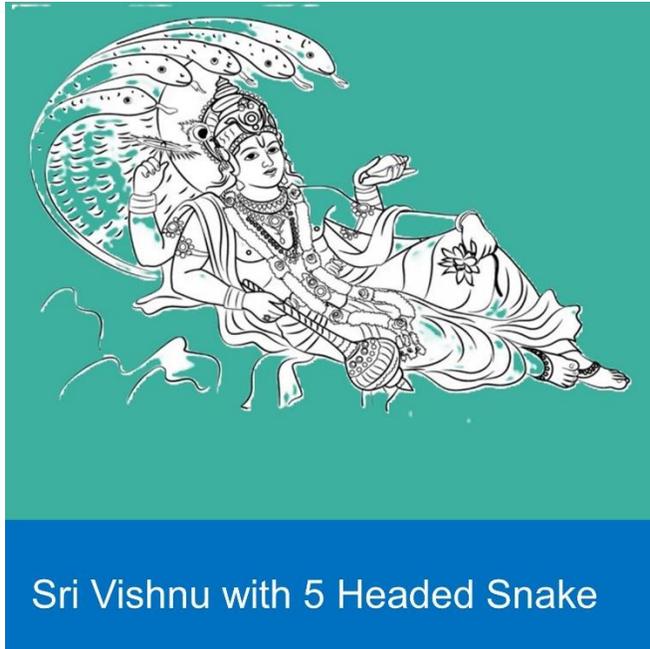

Dwapar Yuga: The average human lifespan was 1000 years.

Kali Yuga: – The Average human lifespan will be 100 years and decrease gradually. Kali Yuga is the present time we are all going through now.

In the second quarter of Treta Yuga, Sri Rama was born in Ayodhya. Then one day his ring falls into the mountain of serpents through a tunnel. A monkey follows it and Rama on earth dies. So, it has been for hundreds of thousands of Kalpas. All these rings testify to that fact." Vasuki also mentions that "The mountain keeps growing as more rings fall. There is enough space for the rings of future Ramas." Hanuman realized that his entry into Nag Lok and his encounter with the mountain of rings was no accident. It was Rama's way of telling him that even Hanuman could not stop death from coming. Rama would die. The world would die. But like all things, Rama would be reborn each time the world is reborn.

## **10.7 Where Did Sri Rama Disappear in Ayodhya?**

Sri Rama walked deep into the Sarayu River and disappeared. Soon in the same spot, Srihari Vishnu appeared, resting on Ananta Sesha, 5 headed Snake, and blessed his devotees. This means that Sri Rama merged with Sri Vishnu.

## **Chapter 11 How Much Time Has Passed Since Sri Rama's Disappearance?**

It has been 1,750,000 years since Sri Rama's disappearance. NASA reveals a mysterious ancient bridge in between India and Sri Lanka. The bridge is approximately 18 miles long. The bridge's unique curvature and composition by age reveal that it is manmade. Legends as well as archeological studies reveal that the first sign of human inhabitants in Lanka dates to about 1,750,000 years ago, the same as the bridge's age.

### **11.1 The Present-Day Cities Ruled by All the Princes of Ramayana**

Bharat had two sons, Taksha and Pushkala. Sri Taksha founded Taksha-Shila, to the east of the Indus, and known to Greeks as Taxila. Sri Pushkala founded Pushkala-Vati, to the west of the Indus, and known to the Greeks as Peukelaotis. The sons of Bharat are said to have founded kingdoms that flourished on either side of the Indus River in the fourth century before Christ. Lakshman had two sons, Angada and Chandraketu. Chandrakanti in the Malwa country. Sri Satrughna had two sons, Sri Suvahu and Sri Satrughati. Sri Satrughna became king of Mathura, and Sri Satrughati ruled in Vidisha.

## **11.2 End of Uttara Kaanda is End of Ramayana**

Uttara Kanda ends with the renunciation of worldly life by Sri Rama and this also ends the Ramayana, revered by Sri Brahma and written by Sage Sri Valmiki.

## **Chapter 13 Why Write Only Sri Rama Jayam-Jai Sri Ram?**

Writing Sri Rama Jayam or Jai Sri Ram is called Likitha Jap-Writing Meditation or writing tapas. This gives one total peace of mind while writing

the golden words. All 5 senses are engaged in the service of the God Sri Rama.

Nama Japa -Japa means repeating. Nama means Name. Nama Japa means repeating the name. It's also called Sankeerthana of Nama or the name of the Almighty.

This is one of the time-tested easiest ways of Bhakthi Yoga. A path to reach God through your devotion. These are some ways of doing Bhakti Yoga.

Devotees chose their favorite deity or God name to repeatedly chant the name vocally or in mind anytime, anywhere. Devotees can form a group and do Sankeerthanam or sing together in the name of God. This is also called Satsangh

Bhajans are one way of singing, the glory of God to focus on God. Nama Japa, Sankeerthanam, and Bhajans all result only in one thing, helping devotees identify themselves with God. We can also call this group meditation through singing.

In ancient times, Gurus knew it was very difficult to meditate on God because we get easily distracted for various reasons, hence they advised everyone to meet in groups at temples and homes to sing bhajans.

Even in today's time, Nama Japa is the easiest way to meditate on God. Nama Japa is the simplest and easiest way to see the God in us and everything surrounding us.

### **13.1 Sri Bhishma**

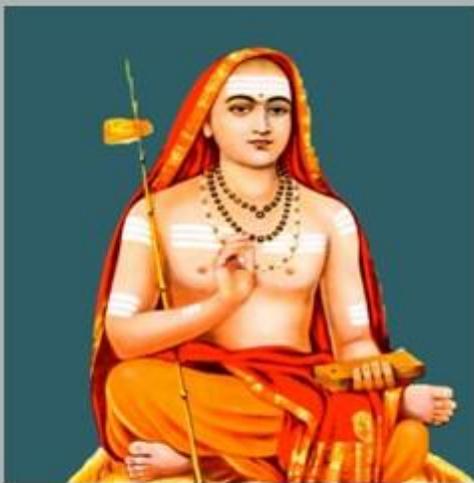

Sri Bhishma considered chanting the Sri Vishnu Sahasranama (1000 names of Sri Vishnu) as the best and easiest of all dharma and also the means to attain relief from all bondage in life.

Sri Bhisma, Krishna, Arjuna Kurukshetra

### 13.2 Sri Adi Sankaracharya

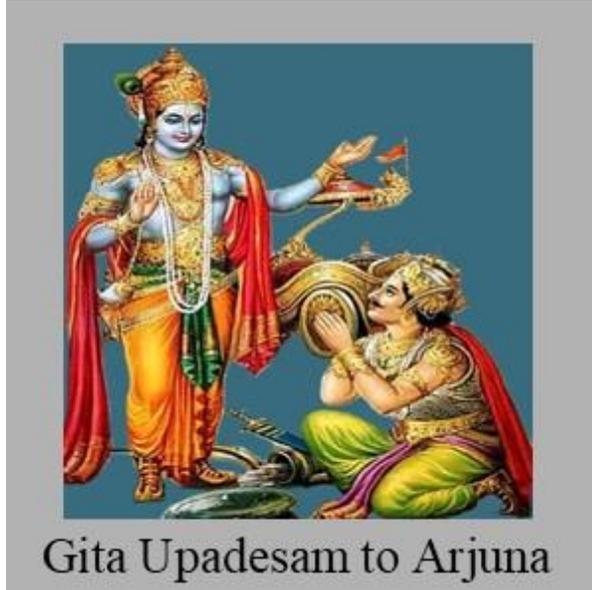

Adi Sankaracharya, the Advaita enlightened master, in verse 27 of his hymn, Bhaja Govindam said that the Gita and Vishnu Sahasranama should be chanted and meditated on the picture of Bhagavan Lakshmi-Narayana. He also mentioned that if we listen to or chant Sri Vishnu and Sri Lalitha Sahasranamas meaning 1000 divine names of Sri Vishnu and Sri Lalithambika, we will be blessed with noble virtues in life

Sri AdiSankarachariya

### 13.3 Gita Upadesam

Shri Krishna, the Almighty has mentioned in Srimad Bhagavad Gita, that He resides in the hearts of those who chant and sing His Names.

### Chapter 14 Why Is Sri Rama's Name More Powerful than the God Sri Rama?

YES, and here is why. Tara means Nakshatra, a Star which cannot be seen by humans. Avatar means Tara coming to the world in human form to be visible to humans. Sri Rama is the 7th avatar out of the 10 avatars of Vishnu. Sri Rama and Sri Krishna Avatars are the only avatars born in Bharat, India and they lived as Humans.

Tara means Stars

Sri Rama

#### 14.1 Taraka Mantra

Sri Rama-the all-powerful divine magical name "Rama" is known as the Taraka Mantra. It is said that the syllable "**Ra**" comes from the Ashtakshari mantra **RA** from "Om Namō Na**RA**yana" and the syllable "**Ma**" comes from

"Om Na**MA**h Shivaaya". So the single name of Rama combines the divinity of both Shiva and Vishnu as **RAMA**.

Sri Shiva

Sri Vishnu with Snake

The question is whether the Lord's Name (Nama) or the Lord Himself (Nami) is superior. Narada has proved in the story with Sri Viswamitra through Sri Hanuman that **Sri Rama's name alone is far superior and more powerful than the God Sri Rama himself.**

**Of all the Names of the Almighty, Sri Rama's Name is ideal for Nama Japam (repeating the name as meditation).**

Shiva (Purusha) and Shakthi (Prakriti) are the manifestations of one Antharyami. Of all the many Avatars or incarnations of Sri Vishnu, the maryadha purushothama, Sri Rama's name, had remained the beautiful source for spiritual enlightenment and moksha (salvation)

Shiva, Parvati Ganesh Murugan

When Sri Rama crossed over to Lanka to battle with Ravana to bring back his wife Smt Sita, the Vanaras (monkeys) helped him to cross the sea by building a bridge of stones. Sri Hanuman wrote the words "Sri Ram" on the stones before throwing them in the water. These stones magically floated on the water, creating the bridge called Rama Sethu Bridge connecting India and Sri Lanka. Hence, people believe that writing the name "Sri Rama" will help to overcome problems in life leading to success. You can see the floating rocks in Sri Ramanathan Swamy temple in Rameswaram in Tamilnadu, Bharat, India. NASA has confirmed the existence of the Rama Setu Bridge even today by publishing many pictures.

**Authors Note: The Western world as usual is calling this bridge Adams Bridge though there is no evidence or connection to Adams's name because this happened in Treta Yuga when neither Christianity nor Islam religions existed**

## 14.2 Sri Valmiki and Rama Nama

Sri Valmiki was initially repeatedly uttering 'Ma-Ra' Ma-Ra' (not even Ra-Ma) before becoming a Rishi, and he became a Rishi and wrote the greatest epic Sri Ramayanam.

Sri Valmiki wrote Ramayana

### **14.3 Sri Hanuman and Sanjeevani Mountain**

Sri Hanuman, just by doing Rama Nama Japam (repeating Rama's name) could cross seas, fight rakshasas (monsters) carry Sanjeevani Mountain, to save Sri Lakshmana and got blessed to become Chiranjeevi (Immortal) in life.

Hanuman with Sanjevani Mountain  
to save Lakshmana with Rama

Sri Hanuman, Tulasidas, Thyagaraja, Ramadasu, and Mahatma Gandhi, are some of the greatest devotees who believed in Sri Rama Japa, and that it would do wonders, this is a testimonial to the power of Sri Rama Japam. Though the Almighty has thousands of names (Sahasranama), Rama Nama Japa is ideal for everyone. The name **Ra-Ma** is a combination of Maheshwa**RA-MA**heshwari denoting one Almighty, who is ArdhanarIshvara who is the single entity of Shiva (Purusha) and Shakthi (Parvati), one who pervades everything

Even breathing of the living beings signifies **Ra-Ma**.

Purusha (absolute consciousness) - Maheshwa'**RA**', initiates the living beings to use the life force Prakriti (absolute energy)- '**MA**'heshwari. During inhalation and exhalation, both Shiva and Shakti are in union, or co-exist, so life exists. When we do Rama nama japam, we do Pranayama, or conscious breathing, focusing on '**Ra-Ma**' (Inhalation/Exhalation), leading to the realization of God

In Brihad-Vishnu-Sahasranama-Stotra, Uttara-khanda, Padma Purana 72.335, Lord Shiva addressed his wife, Smt Parvati who requested Shiva for an easier way to recite Sri Vishnu Sahasranama (1000 names of Sri Vishnu). Smt Parvathi mentioned that by saying 4 lines of Sri Rama Rama Rameti Mantra once is equivalent to saying Sri Vishnu Sahsranama 1000 names of Sri Vishnu

Shri Rama Rama Ramethi  
Rame Raame Manorame  
Sahasra Nama Thathulyam  
Rama Nama Varanane

Also If one meditates upon Sri Rama as Rama Rama Rama, reciting Rama's name three times is equal to reciting 1000 names of Lord Vishnu which is called Sri Vishnu Sahasranama,  
We can become closer to God, Rama by repeating his name "Rama" and by repeating the name "Rama" we can accomplish everything in life

#### **14.4 Pessimistic People will experience the Power of the Rama Nama**

Pessimistic people, who do not know what the Name of Rama can do? If they repeat Sri Rama's name, they will experience its power. It can purify their mind completely to become positive in life.  
Rama's Name can take them to the peak of spiritual experience.

#### **14.5 Personal Ego Vanishes during Rama Nama Japa.**

The words Jai Sri Ram Origin was due to Kalachand Vidyalankar in the 17th century who initiated the practice of Rama Nama Sankirtan in East Bengal which is today's Bangladesh into the Holy Mantra, "Om Jai Sri Ram Jai Sri Ram" and popularized it among the people. He noticed that during Rama Nama Japa Bhajan, personal ego vanished, and they were very happy.

#### **14.6 How to Overcome Evils of The World and Attain Bliss?**

Srimad Bhagavatam and many other scriptures in Hinduism (Sanatana Dharma) advocate this as the simplest means to attain God. Scriptures say, "While the mental repetition of the Divine Names leads to the good of the individual, chanting the Divine Names loudly purifies the chanter, the listener, and the place where the chanting is done." In keeping with the Kali Santarana Upanishad, Singing the Maha Mantra is the only way to overcome the evils of the world and attain divine bliss.

### **Chapter 15 Rama Nama and Mahatma Gandhi**

Mahatma Gandhi spoke of Rama Nama all the time and his last words when he died was "Hey Ram" which was inscribed on his Homage Stone in New Delhi

Sri Mahatma Gandhi

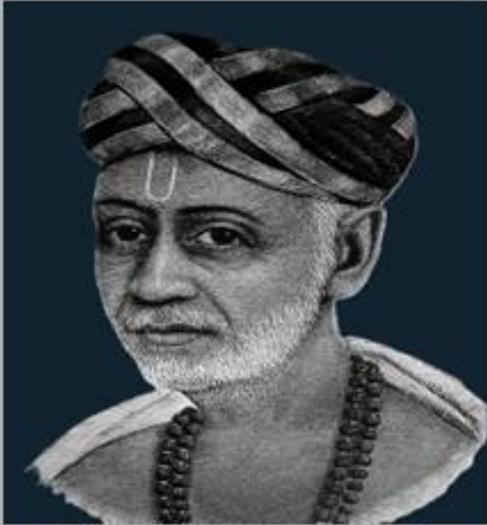

Hey Ram Written on Gandhi memorial

## **Chapter 16 How Did Saint Thyagaraja Meet Sri Rama?**

Saint Thyagaraja completed the recitation of the of Sri Rama 96 crore (approx 1 Billion) times and had the fortune and blessings of seeing Sri

Rama with Sita, Lakshmana, and Hanuman right in front of his house on the Thirumanjana Street of Thiruvaiyaru, in Tamilnadu, Bharat, India

Sri Thyagaraja

Thyagaraja composed Keerthanas on Sri Rama

It is believed that a calmness engulfs as one indulges in writing the Sri Rama Jayam bringing in more clarity of mind, tolerance, and strength to withstand obstacles in life.

A selfless and non-expectation while writing gives you more happiness and potential than expecting something while writing. For you are a god's child, and God knows what you want and will give you what you are destined for and deserve. You don't need to ask God for anything.

There are many people, who make a wish and start and soon find their wish coming true, but then it is important not to stop writing once your wish is fulfilled

Sri Rama Jayam or Jai Sri Ram are the powerful 3 words that are written, on the Hindu wedding invitation, or prayed in the mind before starting anything of importance in India.

Rama Koti Likhita Japa is writing Sri Rama Jayam or Jai Sri Ram daily. It is like meditating on Sri Rama and will help focus on life and bring inner peace leading to success.
